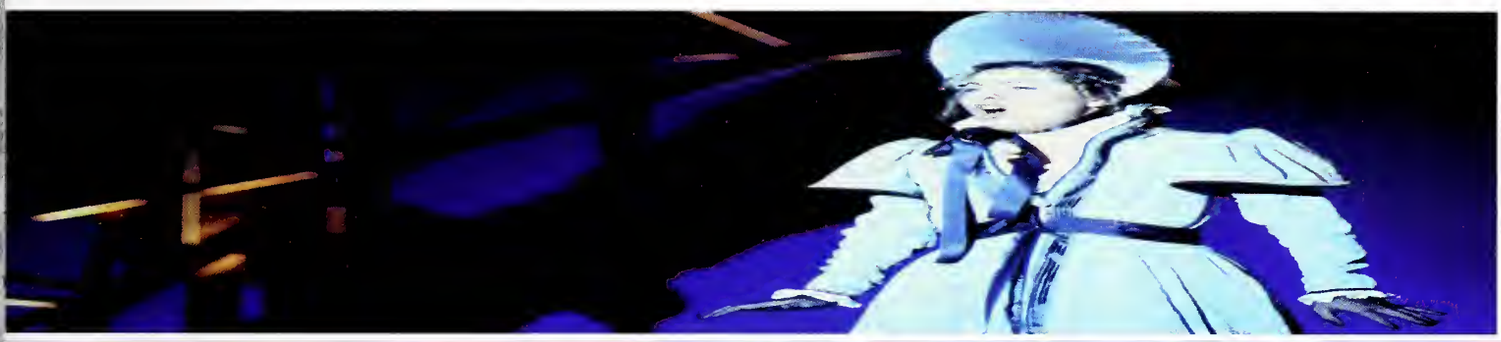
Millikin University

A YEAR IN REVIEW

1998 - 1999

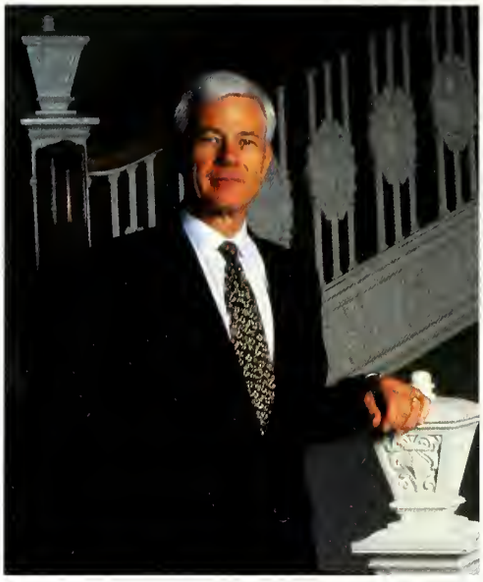


Dear Mom and Dad,

1998-99 was a fun year at Millikin. Thanks for helping me move in.

In August, President Curtis L. McCray left to become president of National-Louis University. Provost Tom Flynn was appointed president on December 21, 1998.

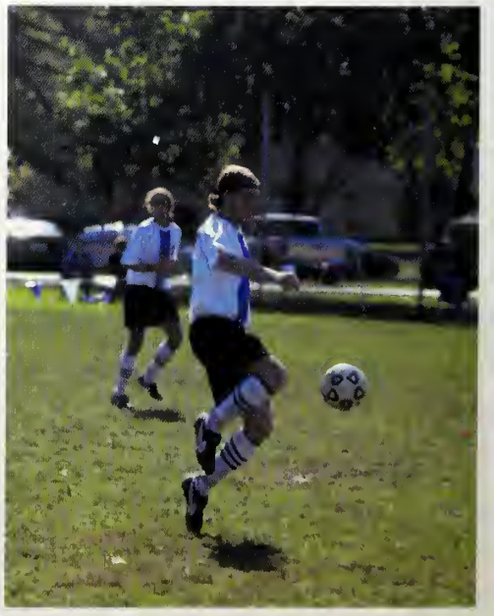
I got to see old friends at the Welcome Back Rally - jammin' and eating. They had the world's longest nacho bar!



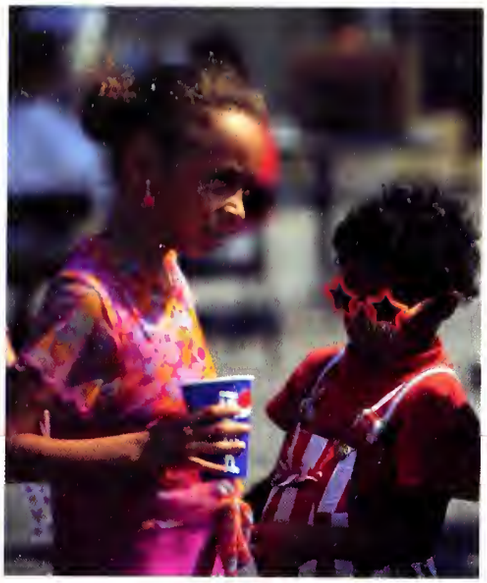
The party continued at Millipalooza - more music, less food, more dancing. Got a chance to put Rich Dunsworth, associate dean of students, in the dunk tank. Missed about six times before I found the range.

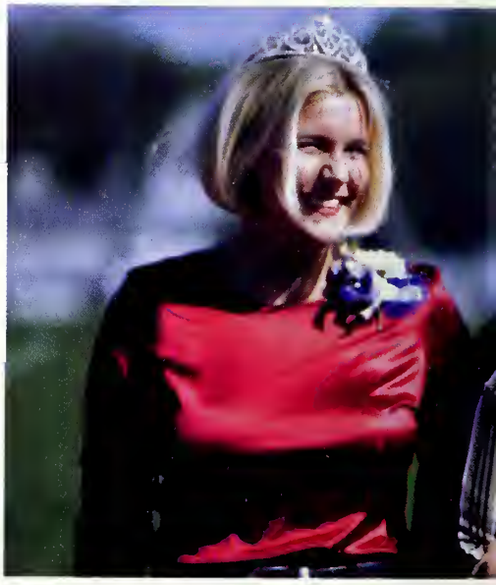
Construction on The School of Music addition began. They expect it to be ready for spring semester 2000. They built an arrival court outside RTUC and (another) new parking lot across Fairview Avenue. They put a Quizno's deli into RTUC, too. You notice how much food plays a role here?

The football team had a great season. Won the CCIW Championship for the first time since 1990. Head coach Doug Neibuhr was named the CCIW Coach of the Year and senior defensive tackle Carlos Burns was named the Don Larson Defensive MVP of the conference. Cool! The men's and women's soccer teams had one of their best seasons yet.



I got to hear lots of interesting people on campus this year. General Colin Powell, Rajmohan Gandhi, grandson of Mahatma Gandhi. Retired CIA director Admiral Stansfield Turner and former CNN correspondent (and Millikin alum) Steve Hurst. Ceramicist Dwain Narragon gave a great wheelthrowing demonstration. And the Irish band the Drovers played in the new arrival court.





I liked having you here for Fall Family Weekend. Hearing the Multi-Cultural Voices of Praise at the Oakland Street Fest and going to see the Collage Concert was fun. But did you really have to meet all my teachers? Oh, thanks again for dinner out. (The food thing, ya know, is really important to me.)

Homecoming was fun, too. Amy Johnson and Ricky Williams were Homecoming king and queen. President Flynn led a ceremonial ground breaking for the new science building. (That's him on the left.) Thanks for taking me out to dinner again. It's fun to be at a restaurant with you. (Big enough hint?)

Went to see City of Angels, Bartered Bride, Dancing at Lughnasa, and the Three-Penny Opera. WOW! Our Department of Theatre and Dance really brings some talented students here.

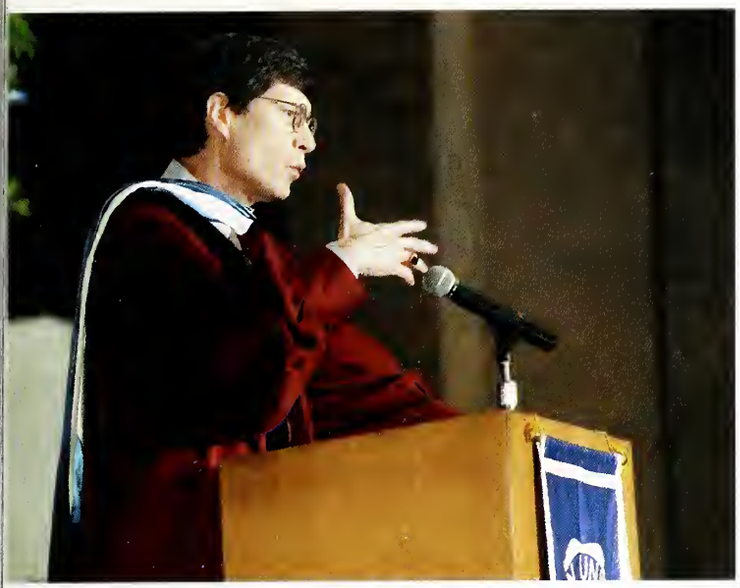
In December, it was the faculty and staff's turn to feed us. The Cookie Party has been going on for 65 years. The Vespers concert always gets me in the mood for the holidays. So does snow. Some of us built a girlfriend for Mr. B.B. but he seems to be giving her the cold shoulder. (Sorry!)

The men's basketball team fooled a lot of people. They were picked to finish sixth in the CCIW and ended up tied for third. Their 17 wins were the most in five years. The men's tennis team finished second at the 1999 CCIW Championships, their best finish since 1975. And the men's golf team went to the national tournament for the eleventh time. Sports programs are really starting to cook.

Speaking of cooking... Carl Alexander and Servera Gilbert both earned all-American honors at the NCAA Division III track and field championships. Millikin as a team finished in the top 10 for the second year in a row.

The women's basketball team did great again. They were 21-4. That's the sixth straight season they have won at least 20 games. And the softball team finished third in the CCIW Tournament.

Went to see the Annual Spring Student Art show. That's where I got that vase you liked so much for Mother's Day, Mom. Spring around here seems to be about dirt and mud and stuff. For Founder's Day we had a tug of war in the mud. Later, the University and the Park District broke ground for a new recreational center. Crews were digging holes for new streetlights, too. (Got them all hooked up in June.)



Finally! Made it to Commencement. Words of wisdom and encouragement from Dr. John Gardner and Meagan Krapausky, one of our classmates. The big hit was Matt West, another classmate, who did a song he wrote - pulled everyone in the hall right up on their feet when he was done. Hugs all around. See ya in a few days.

P.S. What's for dinner?

Jazz Showcase
Lincoln Theatre - April 23, 1999

School of Music Relocates to Hessler Hall for 1998-1999 Year

Construction of an addition and a complete renovation of the School of Music, originally built in 1911, was begun at the close of the 1997-1998 academic year.

All equipment from the building had to be removed from the premises, including offices and pianos from the third floor.

Hessler Hall, a residence hall, served as the temporary home of the School of Music faculty during construction and renovation to the School of Music, newly re-named the Perkinson Music Building following an $8 million donation by C. D. "Perk" and Pat Perkinson towards the School of Music campaign. Their gift was part of *Advancing the Vision: Millikin's Second Century,* the university's $75 million capital campaign.

During the renovation, music students had classes not only in Hessler, but also in Aston, Shilling, the Media Center and Kirkland.

Construction and renovation was scheduled to be completed by the end of 1999.
